Dear Valued Client,

Welcome to the second edition of *In Focus* – Issue 1.1!

We trust you enjoyed our first issue last month. The feedback received has been excellent. Many thanks to everyone for their thoughts.

We have another bumper edition this month, led by a great interview with the former Managing Director of Lilyfield Printing – Reg Hammond. Reg openly discusses his recent decision to move on and Lilyfield’s sale to the European print giant – STi.

In Focus wishes to thank Reg for his time and we trust you enjoy reading his interview.

In last month’s *In Focus*, we highlighted the upcoming **Re-Art 100% Recycled** article and we are pleased to bring you up to speed with the only true **100% coated recycled** stock.

Movie Vouchers!

How many of our **Focus Paper** customers love the movies? We are again rewarding you with movie vouchers this month following on from the fantastic response we received to our clearance list.

Better still, this month, we proudly present **Focus Paper** branded vouchers which have been printed on our 120gsm **White Knight Extreme**. Check out the amazing specials and reward yourself with savings and a trip to the movies!

As we leave the respective NRL and AFL seasons behind us (big congrats to the Storm and Cat’s supporters!), we roll into the Spring Racing Carnival and all its glory. In next month’s *In Focus*, we have a fabulous interview with The Punter’s Pal – ‘Miracle’ Malcolm Johnston, former champion jockey of the legendary – Kingston Town.
